AMADOR OBSCURA

An immersive theatrical experience

the veil is thin...

OBSCURA

The secret rituals

Queer LifeSpace and Peaches Christ Productions transform the club for one night only. Directed by Michael Phillis, this provocative adaptation of *Thighs Wide Shut* features 20+ actors and drag performers across three expansive, immersive floors.

Navigate a dozen live vignettes exploring the Seven Deadly Sins as both observer and participant. The evening culminates in a final ritual of Absolution — a grand, stylized bacchanal with international sensation Peaches Christ.

A night you truly will not want to miss — and a beautiful kickoff to Pride Month.
